

NISHANK TIWARI

BCA Student | Java Developer | Web Developer | Aspiring Data Analyst

Lucknow, Uttar Pradesh, India | +91 9695770812 | nishanktiwari06@gmail.com

[GitHub Portfolio](#) | [LinkedIn Profile](#)

PROFILE

Motivated BCA 3rd-year student with a strong interest in software development, Java programming, web development, Data Structures & Algorithms, and data analytics. Hands-on experience through academic and personal projects including CampusFix, a personal portfolio website, and a Library Management System. Familiar with Java, HTML, CSS, JavaScript, OOP, DSA, MySQL, JDBC, Git and GitHub. Seeking an internship or entry-level opportunity to apply technical skills and solve real-world problems.

TECHNICAL SKILLS

Programming	Java, JavaScript
Web	HTML5, CSS3, JavaScript, Responsive Design
Core	OOP, Data Structures & Algorithms, Sorting & Searching
Database	MySQL, JDBC
Tools	Git, GitHub, VS Code

PROJECTS

CampusFix — Campus Complaint Management System

[HTML](#) • [CSS](#) • [JavaScript](#) • [Java](#)

- Developed a campus-focused system for reporting and tracking student complaints.
- Designed an interactive, responsive interface for easier complaint submission.
- Implemented structured complaint-management functionality using programming concepts.

Library Management System

[Java](#) • [OOP](#) • [MySQL](#) • [JDBC](#)

- Developed a Java-based system to manage books and student records.
- Implemented add, search, issue and return book operations.
- Applied OOP and database connectivity concepts for organized record management.

Personal Portfolio Website

[HTML](#) • [CSS](#) • [JavaScript](#) • [Formspree](#)

- Built a responsive personal portfolio showcasing skills, education and projects.
- Added typing animation, interactive navigation, scroll effects and project showcase.
- Integrated a working contact form and resume download functionality.

EDUCATION

Bachelor of Computer Applications (BCA) — Shri Ramswaroop Memorial University

3rd Year • 5th Semester • Pursuing

Class XII: 73% | Class X: 83%

STRENGTHS & INTERESTS

Strengths: Problem Solving • Logical Thinking • Quick Learning • Team Collaboration • Communication • Adaptability

Interests: Chess • Singing • Technology • Programming

Open to internships and entry-level opportunities in Software Development, Java Development and Data Analytics.
